Dear Andy,

RPM made the FUJIFILM Medical Systems event at the House of Blues our most successful event to date. From the first chord of the music our guests were up on their feet dancing, cheering and having a great time. RPM embraced the crowd of 1000 strong totally engrossing them in the musical memories of a lifetime. The audience participation encouraged by the band was truly spectacular with total strangers connected in a "Love Train" as a finale to the evening was much appreciated. It is going to be hard to top this event next year!

Looking forward to working with you and RPM again.

Sincerely,

Steven Marchese
