Dear Larry:

On behalf of all of the Kennedy Space Center staff, employees and guests, we want to thank you and the RPM Rock & Pop Masters for participating in the Fall Concert Series. The evening was superb and a real treat for all who attended.

It was especially nice for the audience that you and your associates stayed to mingle with those in attendance. Your professionalism and talent was very much on display, and was appreciated by all.

Thanks again for providing such a grand conclusion to the concert series at Kennedy Space Center Visitor Complex.

All the best to you, we look forward to having you again.

Sincerely,
