Dear Andy,

It was a pleasure working with you for the first time at Hard Rock Live on September 24, 2009. I have had the pleasure of working with many band members in the past and as expected, your performance was great. The professionalism of the band and vocalists was greatly appreciated not only by my staff and Hard Rock Live, but the client. Even though there was a challenge of wide demographics, the band got everyone up on their feet and dancing and the client was ecstatic. I will definitely keep you in mind for future events and would recommend you to other clients.

Again thank you for all you great work. You helped make the event a huge success. I look forward to working with you again soon.

Warm Regards,

  
Richard Summers
