Andy,

I wanted to take a moment to express my sincere thanks to you and the entire Rock and Pop Masters Band. What a dynamic and entertaining performance they put on for Sir Richard Branson and the Virgin Guests. Rock and Pop Masters exceeded my client and my expectations in everyway and you made it easy. From the first moment we spoke in the planning stages to the final number on stage everything was perfect.

I look forward to the next opportunity to work with you and the Rock and Pop Masters in the near future.

Best wishes!  
Tim
