### **Rock & Pop Masters Rocked Iraq!!!**

I recently promoted a tour featuring five great **Rock & Pop Masters**<sup>®</sup> Lead Singers to entertain the Soldiers, Airmen, Marines and Sailors in Iraq and Kuwait.

**Larry Hoppen** (Orleans), **Jimi Jamison** (formerly of Survivor<sup>®</sup> 14 yrs), **Joe Bouchard** (original member, Blue Oyster Cult), **Alex Ligertwood** (w/Santana, 16 yrs) and **Skip Martin** (Kool & the Gang, 20yrs) along with the band **Orleans**, were all great guys to work with and they put on a fantastic two hour show each night that was filled with hit after hit after hit. Audiences - young and old - rocked out and sang the lyrics of each and every song!!

Most importantly, the **RPM** guys "Got It!" Right from the start they "Got It" that they weren't visiting a war zone for their benefit. They were there for our military members! Whatever was asked of them they did it for "The Troops!"

The RPM guys did something great for our country's heroes overseas who are protecting our freedoms! They reminded the guys and gals stationed in Iraq of their home, let them know that we think of them and appreciate them daily and then left them with something to smile about through the art of the music that they created!!

LET'S DO IT AGAIN, BOYS!!

With deepest respect,  
Jeff Thornton
